

How to Find Network Providers

To search for network providers or create a custom directory, visit www.myuhc.com and follow these four simple steps.

1. Under **Links and Tools**, choose **Find Physician or Facility**

2. Choose to search for a Physician, Hospital, or Medical Equipment.

3. Enter optional parameters to refine your search:

- Physician Name
- Location (s)
 - ✓ State
 - ✓ Zip Code Radius
- Physician Gender
- Language Spoken

4. Select Specialty
(You may choose up to five specialties)

Click Continue and your list will appear!
